## VP8160

Rated Input Voltage:	240v
Max Charge Current:	20a
Charging Absorbed Power:	0.8kw
Starting Absorbed Power:	3.6kw
Start Current V/C:	120a
Charging Voltage:	12/24v
Weight:	12kg

**\$247.50**

## VP8163

Rated Input Voltage:	240v
Max Charge Current:	30a
Charging Absorbed Power:	1kw
Starting Absorbed Power:	6.4kw
Start Current V/C:	180a
Charging Voltage:	12/24v
Weight:	13kg

**\$297.00**
