\$660 Including GST

Specifications:

***240 volt wiring to Australian Standards**

- Quick change tool: Save time by changing eight dies together, rather than one by one.
- Hose size that it can crimp: 5/16", 1/4", 3/8", 1/2", 5/8", 3/4", 1", 1-1/4", 1-1/2" and 2" on 1, 2 and 4 braid.
- Max opening (mm): 125mm
- Motor power: 3.7kw
- Three operational ways: foot control, button control and automatic
- Rated pressure: 31.5mpa
- 240 Volt 15 AMP
- Max crimping pressure: 560 tonne
- Precision: 0.01mm
- Dies: 12sets : (12 14 16 20 22 26 30 34 38 46 54 64) Crimps 1, 2 and 4 wire braid
- Weight: 230kg
- Tank 40L
